Purpose
Bible Integration in Education
The goal of Biblical integration is to help students to think biblically and critically about every subject.

And beyond this, that they may also think biblically and critically about every aspect of their lives.
I feel ________ about integrating the bible in the subject I teach...
For since the creation of the world his invisible attributes--his eternal power and divine nature--have been clearly seen, because they are understood through what has been made. So people are without excuse.

Deuteronomy 6

4Hear, O Israel: The Lord our God, the Lord is one.

5Love the Lord your God with all your heart and with all your soul and with all your strength.

6These commandments that I give you today are to be on your hearts. Impress them on your children. Talk about them when you sit at home and when you walk along the road, when you lie down and when you get up. Tie them as symbols on your hands and bind them on your foreheads. Write them on the doorframes of your houses and on your gates.

The Purpose of the School in Education

Training up in Critical Thinking & Wise Decision Making

Role as a Teacher: Presents a systematic Body of Knowledge for critical evaluation in preparation for practical application.
Jack Hayford says of a growing class of church people, 'they come for the show, but refuse to grow.'
It is unfortunate that gender boundaries are very much keen on children’s views on parental migration, “children of migrant fathers are more likely to say that their father left the Philippines to provide for the family, whereas children of migrant mothers more commonly claim that their mothers left to escape poverty.” (Parrenas:2006).
TEACHING IS A CALLING TO POVERTY

When I grow up.... I cannot afford to be a teacher.

THE TEACHER? I AM THE TEACHER.
Teachers are still grossly underpaid and overworked

Bible Integration is not a Task for Teachers alone

Bible Integration is not a Task only for the School.
Because Education is among the primary roles of the three vital institutions that nurture the next generation, Biblical Integration in Education must therefore be appropriately regarded as a vital collaboration of the three foundational institutions of our society.

Ephesians 4:11 It was he who gave some as apostles, some as prophets, some as evangelists, and some as pastors and teachers, 4:12 to equip the saints for the work of ministry, that is, to build up the body of Christ, 4:13 until we all attain to the unity of the faith and of the knowledge of the Son of God—a mature person, attaining to the measure of Christ’s full stature.
